Value Delivered	<p>10x faster underwriting insights using augmented analytics for a leading P&C insurer</p> <p>40% faster claim settlement using cognitive claims for an Indian insurer</p>	<p>30+% reduction in IT spend through modern data platform for a North American insurance group</p> <p>>40% reduction in new client onboarding using Data on Cloud platform for an insurance software company</p>	<p>7X improvement in end-to-end process efficiency using AI/ML led automation for an insurance broker</p> <p>30% improved fraud detection through analytics for a US based P&C insurer</p>

Why Snowflake

LTI + Snowflake

We are helping insurance customers on their journey from data to decisions

Risk Insights

Autonomous insights for Underwriting

Integrate Guidewire cloud data with Snowflake

Broker Data Model

End-to-End broker data model

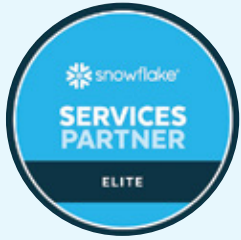

Risk Mart

Optimized data model for carrier risk analysis

Enabled by our strong Snowflake capabilities

People	Products	Automated Playbook
<p>600+ Associates with project experiences</p> <hr/> <p>250+ Associates Snowflake certified (SnowPro), 15+adv architect</p> <hr/> <p>POD as a Service Model Readily deployable resources pool</p> <hr/> <p>Snowflake Academy Re-skilling + continuous learning</p>	<p>Spectra data logistic for multi-cloud Snowflake ready technology</p> <hr/> <p>Optic + Aspect Hub for all intelligence assets</p> <hr/> <p>Refract E2E Data Prep and ML Ops</p> <hr/> <p>Lumin True self-service – W5H</p>	<p>PolarSled Strategize Assessment of current system</p> <hr/> <p>PolarSled Migrate Mindful migration to Snowflake</p> <hr/> <p>PolarSled Govern Snowflake platform Optimization</p> <hr/> <p>PolarSled Mech Dashboards to data products</p>

Globally Recognized by Snowflake

Our Data & Analytics 'solves' for Insurance Customers

Rationalize & migrate

the on-prem data warehouse platform to Snowflake Cloud

Leading insurance ISV

Claims conversion from legacy systems into the target system

~30% reduction in time and development effort

10 Calendar Months to complete the migration. Massive reduction in time to complete end-to-end processing

Data on Cloud Transformation

& enabling Analytics Capabilities

Leading Canadian P&C insurance group

Decommission legacy systems and help ease the spin-off of the existing data & analytics architecture from the parent company into a scalable global data & analytics platform

30-40% reduction in IT spending by providing a better and more efficient data platform

5X performance improvement as compared existing SQL Server -SSIS based EDW solution

Transforming the **on-premise Teradata based** risk and compliance platform to the **consumption-based cloud** Snowflake platform

Leading insurance firm

LTI leveraged its ready to use Snowflake tools & accelerators to analyze the existing environment complexity and convert the TD objects to Snowflake

3811 objects per environment inclination towards automation of migration/validation

88% conversion rate achieved

LTI Canvas PolarSled simplifying the journey to Snowflake Data Cloud

Automation first approach towards whole migration/modernization value chain

Canvas PolarSled Strategize

Intelligent cloud migration strategy & design to Snowflake (months to days)

- Smart Analyzer
- TCO Calculator
- Architecture framework

Canvas PolarSled Migrate

Mindful data migration and validation to Snowflake data platform (~60-70% Automation)

- TableShift/ViewShift
- Cloud Convert
- Cloud Upload/Smart Validate

Canvas PolarSled Govern

Governance tool kit to help sustain operations and optimize expenditure (~10-20% cost optimization)

- Cost estimation, monitor & control
- Health check, observability
- Optimize performance

Canvas PolarSled Mesh

Mesh tools to accelerate Data Mesh implementation (~2X faster development)

- MRAT
- Self Service Infra Policy Definition
- Market place & DataOps

We have a Established partner Ecosystem

LTI (NSE: LTI) is a global technology consulting and digital solutions Company helping more than 485 clients succeed in a converging world. With operations in 33 countries, we go the extra mile for our clients and accelerate their digital transformation journeys. Founded in 1997 as a subsidiary of Larsen & Toubro Limited, our unique heritage gives us unrivalled real-world expertise to solve the most complex challenges of enterprises across all industries. Each day, our team of more than 45,000 LTItes enable our clients to improve the effectiveness of their business and technology operations and deliver value to their customers, employees and shareholders.
