

# Digital Matters

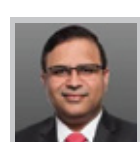

With most of us working remotely, it is important to discuss the evolution of WFH. This month, we are leading with an insightful article by Nachiket Deshpande and Sid Bohra of LTI as they talk about LTI's **xFH**, or **Everything from Home**. At LTI, we are operating from 30,000+ home offices at this point and xFH approach is what helps us stay secure, engaged, productive and growth-focused. If WFH is the new normal, it's time to talk about managing career from home. Read on...

## Deep Dive

### xFH – LTI Design for Thriving in the WFH Future

The entire world is literally locked down and in the truest sense of the word, global WFH is now a reality. The sheer scale of people working, communicating, and collaborating across vast physical distances is akin to no other time in history. Nachiket Deshpande (Chief Operating Office, LTI) and Siddharth Bohra (Chief Business Officer-Consumer, Media & Tech, LTI) explain LTI's journey from WFH to xFH.

## From Your Desk to the World

**Theme of the Month:** COVID-19: What is your technology-based coping mechanism?

Hey there! Technology fascinates all of us. It reflects the world that we build every day, and shapes it at the same time. Be it a new book or a new experience, you can tell us what it means to you, and we will let the world know.
