

Accelerated Modernization Journey

Infinity's Modernization Kit provides assessment strategies for effective cloud migration and modernization that will enable enterprises to have a clear vision and roadmap for agile, highly available, scalable, and performable cloud implementations. The kit additionally enables the acceleration of application transformations such as mono-to-micro, containerization, and Kubernetes as part of the cloud modernization journey.

Benefits

2x faster cloud migration

50% lesser time to modernize and deploy

Faster time-to-market

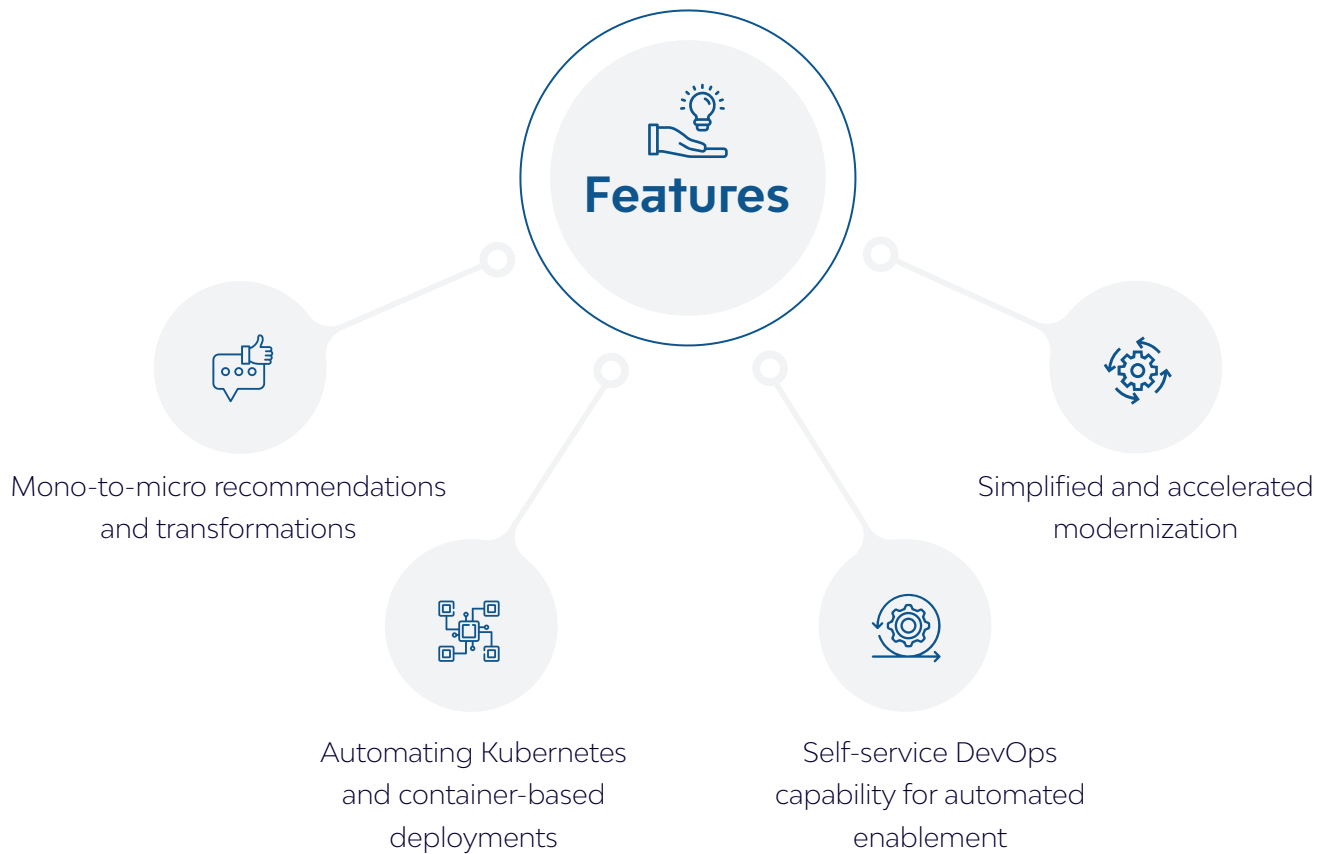

ALM value stream insights and metrics

Why LTIMindtree

Our Infinity suite houses end-to-end accelerators for an effective modernization journey

Kubernetes service provider accredited by CNCF

Infinity Modernization kit enables acceleration of application modernization on cloud and provides complete visibility of the cloud modernization journey.

LTIMindtree [NSE: LTIMindtree] is a global technology consulting and digital solutions company that enables enterprises across industries to reimagine business models, accelerate innovation, and maximize growth by harnessing digital technologies. As a digital transformation partner to more than 700 clients, LTIMindtree brings extensive domain and technology expertise to help drive superior competitive differentiation, customer experiences, and business outcomes in a converging world. Powered by more than 85,000 talented and entrepreneurial professionals across 33 countries, LTIMindtree — a Larsen & Toubro Group company — combines the industry-acclaimed strengths of erstwhile L&T Infotech and Mindtree in solving the most complex business challenges and delivering transformation at scale.
