Digital matters

What's the Buzz

LTIMindtree| Begins journey in the big league, aspires to be USD 10 billion in revenue | Rings opening bell at BSE

Chief Executive Officer and Managing Director of LTIMindtree Debashis Chatterjee said, "The commencement of trading of LTIMindtree shares signifies an important milestone in our journey of value creation. It also marks the start of a momentous new chapter in the history of the IT services industry. As a rapidly converging world gives rise to newer business models and revenue streams, LTIMindtree brings the diversity of scale and digital capabilities required to get businesses to the future, faster."
