

LTIMindtree Awarded 'Partner of the Year' for Digital Transformation by Duck Creek

Warren, NJ, and Mumbai, India – 29th October, 2024 – [LTIMindtree](#) [NSE: LTIM, BSE: 540005], a global technology consulting and digital solutions company, announces that it has been named Partner of the Year for Digital Transformation by [Duck Creek Technologies](#), the intelligent solutions provider defining the future of property and casualty (P&C) and general insurance. The award recognizes LTIMindtree's commitment to fostering innovation and excellence within the Insurance industry by providing advanced digital solutions.

LTIMindtree has been instrumental in helping Insurers adopt Duck Creek OnDemand solution suite while effectively tackling migration and integration through cutting edge tools like Leapfrog AI, Wingman and Canvas AI in addressing common issues around migration and integration with innovative solutions.

"LTIMindtree has enhanced the transformation process for our clients by offering them efficient tools and methodologies for upgrading, remediating and migrating from older versions of Duck Creek Policy, Billing, and Claims solutions into the evergreen SaaS platform, Duck Creek OnDemand. Their expertise in Conformance Remediation has proven invaluable. Their tools save our clients time and reduce costs during their transition to DCOD," said **Sean Murphy, Senior Vice President, Customer and Partner Enablement, Duck Creek Technologies**.

"We are honored to be recognized as Duck Creek's Partner of the Year for Digital Transformation," said **David Althoff, Senior Vice President & Chief Business Officer, Insurance, LTIMindtree**. "This award highlights our dedication to leveraging innovative technologies to solve complex migration and integration issues, ensuring a seamless transition for our clients."

LTIMindtree has supported a wide range of Duck Creek customers in transitioning to the latest platform by incorporating advanced digital and AI technologies. These initiatives have streamlined the cloud migration and adoption process and resolved key integration challenges, enabling clients to maximize the business benefits of using the Duck Creek OnDemand suite.
