Integrated Village Development Program (IVDP)

Project Description:

- The "Integrated Village Development Programme" aims to alleviate poverty through holistic development across education, environment, empowerment, health, and nutrition in each of the following blocks listed.
- Aligning with NITI Aayog's 39 indicators, this project will be monitored & evaluated.
- In partnership with NITI Aayog and district administrations over four years, gradually handing over to local communities, to ensure long-term sustainability without dependency.

Theme: Community Development
